**On Air In Business Broadcast Features**  
**James Durham, President and CEO of Quarra Stone**

Madison, WI—June 3, 2009 – James Durham, president and CEO of **Quarra Stone**, was featured in an hour-long interview On Air with In Business Magazine with radio show hosts Joan Gilman and Jody Glynn Patrick that was broadcast on WTDY Madison 1670 on May 28, 2009.

**Quarra** is a Madison, WI-based company that supplies and fabricates natural stone for signature architectural projects in North America. During the course of the interview, Mr. Durham discussed the growth and development of his 20-year old company and its state-of-the art carving studios and production plant, its technological innovation and leadership in the world's stone marketplace as well as **Quarra's** portfolio of high profile national projects such as Yale University's Bass Library and Harkness Tower, the U. S. Supreme Court and the restoration of the Kansas State Capitol. [To listen Mr. Durham's entire interview, please click here for a podcast of the program.](#)

**About Quarra Stone**

Headquartered in Madison, WI, Quarra Stone fabricates and supplies architectural and interior stone for signature building projects throughout the United States in collaboration with many of the country's leading institutions and premier architectural teams on some of America's most prominent architectural landmarks and new award-winning architecture. We recently completed our largest project, the newly opened Capitol Visitor Center in Washington D.C. which is expected to host three million visitors a year.
