QUARRA INDOOR SOCCER CHAMPS

Quarra's Indoor Soccer Team Wins Big—Tops in its Division

Madison, WI—May 22,2010 —**Quarra Stone**— recognized for its award-winning work on signature architectural and historic restoration projects around the country can add yet another trophy to its award-winning achievements---courtesy of Quarra's indoor soccer team which has won first place in its division, in the "Salon Centinela" winter league.

Led by Eric Galindo, other Quarra staff members on the championship team include Rene Moreno, Eduardo Banderas, Hector Hernandez and Sokrates Truffer. These dedicated Quarra professionals by day and talented athletes at night earned an incredible 19-1-3 record in 23 games played from November through March. In the process, they scored some 100 goals were responsible for countless heroic offensive and defensive plays and did Quarra oh so proud!

One of the team's biggest fans is company president, Jim Durham, who is often seen at the games along with the players' families and friends cheering Quarra's soccer team on –in Spanish no less!

The company also supports the team with uniforms, supplies and post game family celebrations including a festive end-of season barbecue—with a soccer game, of course.

CONGRATULATIONS TEAM QUARRA! We can't wait for the next season to begin! Thanks for your contribution to Quarra's winning legacy.
